SCAM CALLS FROM 'MATCHING' PHONE NUMBERS

Residents are warned to be vigilant of scam calls that appear to be coming from numbers similar to their own.

Commonly, the first seven digits (07nnnnn) match the individual's own number. The calls impersonate well-known government organisations, or law enforcement agencies, and will ask the recipient of the call to "press 1" in order to speak with an advisor, or police officer, about unpaid fines or police warrants.

There are reports of individuals receiving these types of calls, and messaging, via widely-used messaging apps, such as WhatsApp.

Protecting yourself from phone scams:

Who is really calling?

Government and law enforcement agencies will not notify you about unpaid fines or outstanding police warrants by phone call or text. Do not respond to any calls or texts you receive about these.
