

Safeguarding in St. Theresa's: a brief guide

St. Theresa of Lisieux is a constituent member of the Catholic Church in England and Wales.

We recognise and uphold the dignity and rights of all children and vulnerable adults.

We are committed to ensuring their safety and well-being.

We will work with parents/carers/guardians in order to do this.

We recognise each person as a gift from God.

All our personnel (including clergy, religious, staff and volunteers) have a responsibility to safeguard our children and vulnerable adults and we will support their best interests and guard against abuse.
